The 2nd International Symposium on Green Technologies and Applications notification for your paper 139

Microsoft CMT <noreply@msr-cmt.org> para mí ▾ 26 oct 2025, 6:19 (hace 1 día) ☆

Congratulations - your paper 139: Comparative Evaluation of Spatial Indexing Methods Applied to the Georeferenced Characterization of Agricultural Units and Productivity in Peru during the year 2024 has been accepted and will be presented at the International Symposium on Green Technologies and Applications (ISGTA' 2025) to be held in Portalegre, Portugal on November 19-21, 2025.

We would like to thank you for submitting your manuscript to our Symposium for which we received a large number of high-quality papers. However, unfortunately, many good and interesting papers could not be included in the ISGTA' 2025 main program. Your camera-ready produced following and must be submitted through CMT as well.

The paper length is limited to 12 pages with your registration. There are no extra pages allowed for this event.

Note that the deadline for the submission of your camera-ready version is November 8, 2025. Instructions are available at the Symposium website: https://isgta-conf.org/?page_id=2247. Please find the reviewers' comments, which may help you to improve your paper.

Best Regards,
ISGTA 2025 TPC Chairs

Dear Authors,

Congratulations on the acceptance of your paper to the Second International Symposium on Green Technologies and Applications (ISGTA 2025)!

We sincerely appreciate your valuable contribution and look forward to your participation in the conference.

To ensure the smooth inclusion of your work in the proceedings, please take note of the following critical deadlines and information:

1. Conference Registration
 - Final Author Registration Deadline: **November 11, 2025**
 - Important: After Camera-ready and Copyright submission, papers cannot be withdrawn from the conference proceedings.
 - Authors with multiple accepted papers:
 - * Every accepted paper at ISGTA 2025 must have an associated registration at the Author rate.
 - * For each paper at least one co-author must be registered as author (Author rate) and presented in person by one of co-author to secure the paper's publication in Conference proceedings and Springer.
 - The registration of a single co-author as author (Author rate) will secure the publication of up to two papers from the same co-author.
2. Camera-Ready Submission & Springer Copyright Form
 - Hard Deadline: **November 8, 2025**
 - Submit your finalized manuscript (formatted per Springer guidelines) along with the completed copyright form.
 - Submission guidelines can be found at: [Camera Ready – ISGTA'25](#)

Once again, congratulations, and we are excited to welcome you to ISGTA 2025!
